SUMMARY

As a dedicated Web Developer with a year of hands-on experience in the MERN Stack, I have honed my skills in building dynamics and responsive web applications. My practical knowledge includes developing full-stack solutions, optimizing performance, and ensuring cross-platform compatibility. Currently expanding my expertise with Next.js, I'm passionate about transitioning into a Full Stack Developer role. I'm committed to leveraging modern technologies and best practices to deliver high quality, scalable web solutions.
